

**Stewardship Message**

“Go, eat rich foods and drink sweet drinks, and allot portions to those who had nothing prepared...” (Nehemiah 8:10) Ezra’s instructions to the people show us that God does not forbid us from enjoying the good things in life. He wants us to be happy! However, God expects us to be grateful for all that He has given us and to generously share our blessings with those who are in need without expecting anything in return.

**Every day-Every way Stewards**

That we balance our lives by enjoying the gifts we have been given and sharing generously with those in need, without expecting anything in return.

### Catholic Schools Week

This week begins our celebration of Catholic Schools across the nation. St. Joseph students will have activities every day that encourage our students to understand how they impact their lives, each other and our community by attending St. Joseph's Catholic School.

On Monday students will celebrate our faith and the Catholic Church with a kickoff assembly where they will play games that show their knowledge of our faith. Tuesday is Buddy Day. Students will celebrate each other and do some projects that help create community. Our eighth graders especially love doing projects with their kindergarten buddies. On Wednesday St. Joe's will have a special assembly where we will pray the rosary for the benefit of our nation. Thursday is our Vocations Day and we're looking forward to having priests visit our classrooms and having a skype question and answer session with young people across the country who are now living out their faith in a religious vocation. Friday we will join with the other Catholic schools in our area and celebrate Mass at Tri-Cities Prep. On behalf of the staff and students of St. Joseph Catholic School I invite you to join us and be a part of this great school family. Our open house will be on Sunday, February 10, from 10 am to 1 pm. Please check out St. Joseph School for your own children and see how Catholic education can make a difference in your family's life.

### Update on Ethiopia Girls' Hostel

Thanks to ALL who donated about 2 years ago to jump-start the funding for the building of a new girls' hostel in Dembi Dollo, Ethiopia! Following our lead, other donors came forward to complete the funding drive! Already, about two-thirds of the construction has been completed. Sister has insisted on using the best materials that should hold up for many, many years. Also, they have expanded the buildings. Whereas the hostel could only accommodate 18 girls before, the new buildings will allow them to house 30. When we do our small part, God is faithful to do the rest. How wonderful!
